Snowmobile Trail

Plowed Road

The groomed track on our trails is intended for skiing and snowshoeing. Feel free to hike and ride on these trails, but please avoid stepping in the groomed track.

Trails are maintained courtesy of the Upper Valley Stewardship Center and the Connecticut Valley Snowmobile Club. Donations are accepted and help cover the cost of maintenance and grooming.

Use trails at your own risk.

The trail marked with this symbol requires deep snow for safe skiing. This trail may not be groomed when snow depth is less than 1 foot.
